NOTICE

We believe our employees, physicians, staff and visitors should have a safe environment in which to care for our patients without fear of being abused or assaulted. We care for and aim to protect individuals from any kind of verbal or physical abuse-real or threatened.

In the event of workplace violence, appropriate action should be taken up to and including criminal prosecution. The law provides for penalties which may, upon conviction, include imprisonment.

Weapons of any kind are not permitted within the facility. All persons are subject to search and administration reserves the right to seize any unauthorized weapons or property.

What Is a Bagback?

Denver Bagback is a non-profit organization of volunteers who have come together under the city of Denver's umbrella to collect donations of unused items from the public and are reinvested in services to the city and its residents. Denver Bagback is a non-profit organization that collects donations from the public and reinvests them in services to the city and its residents. Denver Bagback is a non-profit organization that collects donations from the public and reinvests them in services to the city and its residents.

The Denver Bagback

To the left, the Denver Bagback community is a great example of volunteerism. They have come together under the city of Denver's umbrella to collect donations of unused items from the public and are reinvested in services to the city and its residents. Denver Bagback is a non-profit organization that collects donations from the public and reinvests them in services to the city and its residents. BIKES KILL CANCER

Jay Middleton was diagnosed with cancer at age 50. Three years later, he sat at the start of the infamous Leadville 100 MTB race.
