

Challenges & Opportunities for Young Safety Professionals

Prakash Kothari, CSP, CIH, SMS
Adjunct Faculty - MS OSHE, New Jersey Institute of Technology

Challenges

- Finding a First Job
- Experience, On the job learning
- Learning the core business
- Don't want to be a Safety Cop
- Changing workers' behaviors and their perception of risk
- Management Commitment

Opportunities

- NIOSH Fellowship, ASSP scholarship
- Co-ops, Internships
- Consulting Companies
- Networking
- Training/Certifications/Organizations
- Advanced Technology
- Strong OSH Professional Demand, with so many baby boomer-era professionals soon to retire.
