#### Privacy Act Statement and Paperwork Reduction Act Statement

Section 21 Training and Employer Education of the OSH Act, 29 USC 670 authorizes collection of this information. The purpose of this information is to determine whether the applicant meets the prerequisite requirements of training and experience to enroll in the Outreach Training Program trainer courses to become an authorized Outreach Training Program trainer. Completion of this form is required in order to enroll in Outreach Training Program training Program trainer.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. Public reporting burden for this collection of information is estimated to average one hour per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Occupational Safety and Health Administration, Directorate of Standards and Guidance, 200 Constitution Avenue, NW, Room N3718, Washington, DC 20210 and reference the OMB Control Number.

Note: Please do not return the completed OSHA Form 4-50.13 to this address.

#### Instructions for OSHA Trainer Course Applicants

It is the responsibility of the applicant to ensure all course prerequisites have been met prior to enrolling in the course. Submit copies of this completed and signed form and all necessary documentation for prerequisite courses to (*Name & Contact info for approving OTI Education Center*) prior to enrolling in the course. Ensure all safety work experience is shown and complete. <u>Referring to a resume is not acceptable</u>. Registration is not permitted without approval. Falsification of any items on this form may result in revocation of trainer authorization.

#### **OSHA Course Prerequisites**

- <u>OSHA #500 Trainer Course in Occupational Safety and Health Standards for the Construction Industry</u> OSHA #510 Occupational Safety and Health Standards for the Construction Industry course completed within the last seven years and five years of construction safety experience.
