Get the Facts About Gynecologic Cancer

This symposium is funded by the Centers for Disease Control and Prevention through SciMetrika, LLC to Dr. Stanley H. Weiss of Rutgers-New Jersey Medical School, as part of a national campaign to educate individuals on gynecologic cancers. Breakfast is provided by Saint Barnabas Medical Center and the Essex County Department of Health and Rehabilitation. The Essex-Passaic Wellness Coalition (EPWC) is a regional chronic disease coalition that implements the *New Jersey Comprehensive Cancer Control Plan* in Essex and Passaic Counties, made possible by a grant from the NJ Department of Health's Office of Cancer Control and Prevention to the Rutgers–New Jersey Medical School. The EPWC mission is to implement the *New Jersey Comprehensive Cancer Control Plan* in Essex and Passaic Counties. For more information on Comprehensive Cancer Control in NJ, visit: [www.njcancer.gov](http://www.njcancer.gov). The EPWC also receives in-kind support from Rutgers Biomedical and Health Sciences and other organizations. For more information on the EPWC, please visit: <http://web.njms.rutgers.edu/EPWC>. More information about the CDC "Inside Knowledge: Get the Facts About Gynecologic Cancer" campaign is on the web at [www.cdc.gov/Cancer/Knowledge/](http://www.cdc.gov/Cancer/Knowledge/). Public health officers who complete this educational program will be awarded 3.0 NJ Public Health Continuing Education Contact Hours (CEs). Rutgers School of Public Health has been approved by the New Jersey Department of Health and Senior Services as a provider of New Jersey Public Health Continuing Education Contact Hours (CEs). This program has been approved for 3.0 CHES credits. Horizon NJ Health is responsible for providing professional development hours for school nurses.
