

NIOSH Region II Education and Research Center (ERC)

Research Projects & Center Updates Webinar 2021

Friday, December 3rd, 2021

2:00 PM – 4:00 PM

Online via ZOOM™

Please register [HERE](#) to receive meeting information.

This special webinar session will feature presentations from ERC Pilot Projects grantees and trainees, as well as provide an overview of ERC's updates.

** This session is mandatory for all NIOSH Region II ERC funded trainees and faculty, and welcomes all trainees, faculty, researchers, and clinicians from other institutes who are interested in occupational safety and health.

Sponsored by the NIOSH Region II Education and Research Center (T42 OH008422); the Region II ERC is a consortium of five educational institutions (www.nynjerc.org) offering ten programs in occupational health and safety training.
